TourHuntsville.com Redirects Focus

Company to develop 360° Virtual Tours for real estate professionals

Huntsville, AL, April 1, 2007 – TourHuntsville, LLC announced today a redirection of the company's efforts, focusing on the Real Estate industry. The new focus will allow the company to maximize efforts on technology, workflow, and customer service.

"Our mission has always been to provide the best quality product at a reasonable price with little or no effort on our customer's part", stated Cindy Ledbetter of TourHuntsville, LLC. *"This new focus will allow us to meet our goals and objectives, while also meeting and exceeding the needs of the Real Estate industry here in Huntsville",* added Ms. Ledbetter.

TourHuntsville, LLC Backgrounder

TourHuntsville.com was developed in 2006 in an effort to provide true 360° imaging technology to the Huntsville market. In early 2007, TourHuntsville, LLC was formed to provide this same imaging technology to the Real Estate industry. To date, TourHuntsville, LLC is the only local company providing 360° Virtual Tour development that requires no work on the customer's part. Virtual Tours are posted on the company's website, TourHuntsville.com, as well as on the agent's site and the MLS system.
